

What resonates with you and why?

There is no other meeting

Just add talent

Change moves at the speed of trust

Stay on mission, not on task

Wonder with people

Steer, don't row

What is on your list and are you working on it?

Get out of judgement and into curiosity

Give praise, take blame

We are all captives of our experience

Get excited about other peoples ideas as you do about your own

Talk to who owns the paper

Entrepreneur = someone not limited by the resources directly under their control

Don't equate experience with knowledge

Don't be a bottleneck

You can get more done if you don't care who gets the credit

Find your doers

Do you have escalation dominance?

If you want people to do something, make it easy

Hours you contribute/overall hours

Does it make the boat go faster?

Water on stone

Its ok to say "I don't know"

People never follow up

Write it down. Make it happen

Think of the end at the beginning

Have an opinion

Strong relationships are built on trust, mutual understanding, and reciprocity

Schedule is your friend

Better to light a single candle than cry out in the darkness
